Professional degrees awarded by BTH

Master of Science in Engineering (Civilingenjörsexamina)
Degree of Master of Science in Engineering: AI and Machine Learning
Degree of Master of Science in Engineering: Computer Security
Degree of Master of Science in Engineering: Industrial Management and Engineering
Degree of Master of Science in Engineering: Marine Engineering
Degree of Master of Science in Engineering: Mechanical Engineering with emphasis on Innovative and Sustainable Product Development
Degree of Master of Science in Engineering: Mechanical Engineering with emphasis on Applied Mechanics
Degree of Master of Science in Engineering: Software Engineering
Degree of Master of Science in Engineering: Game and Software Engineering
Degree of Master of Science in Engineering: Game Engineering
Bachelor of Science in Engineering (Högskoleingenjörsexamina)
Degree of Bachelor of Science in Engineering: Computer Security
Degree of Bachelor of Science in Engineering: Mechanical Engineering with emphasis on Product Development
Degree of Bachelor of Science in Nursing (Sjuksköterskeexamen)
Degree of Bachelor of Science in Nursing
Post Graduate Diploma in Specialist Nursing (Specialistsjuksköterskeexamina)
Postgraduate Diploma in Specialist Nursing - Primary Health Care
Postgraduate Diploma in Specialist Nursing - Psychiatric Care
Postgraduate Diploma in Specialist Nursing - Elderly Care

Non active professional degrees

Bachelor of Science in Engineering (Högskoleingenjörsexamina)
Degree of Master of Science in Engineering: Computer Science and Engineering
Degree of Master of Science in Engineering: Computer Engineering and Digital Media Technology
Degree of Master of Science in Engineering: Electrical Engineering
Bachelor of Science in Engineering: Electrical Engineering with emphasis on Medical Engineering
Degree of Bachelor of Science in Engineering: Energy Systems for Sustainable Development
Bachelor of Science in Engineering: Computer Engineering
Bachelor of Science in Engineering with specialization in Electrical Engineering.
Bachelor of Science in Engineering: Electrical Engineering
